Intuit Certified QuickBooks ProAdvisor®

lnitterauer@stclaircpa.com

Linda Nitterauer serves clients with a valuable combination of corporate experience, public accounting professionalism, academic training, and technological expertise.

As a Senior Accountant for St. Clair CPAs, P.C., a subsidiary of St. Clair CPA Solutions, Linda administers financial statement compilations, reviews, and audits; employee benefit plan audits; prepares tax returns and business valuations; and evaluates accounting systems and internal controls. Business owners and their management teams trust Linda to help them operate more efficiently, and implement her recommendations to improve financial reporting and business processes.

Before becoming a Certified Public Accountant in 2002, Linda worked as an internal auditor and senior accountant in the automotive industry and as an assistant controller for a manufacturing company. Her experience working within diverse companies gives Linda a unique perspective that she applies to each client engagement. Having experienced the accountant-client relationship from the inside, her goal is to provide each of her clients with outstanding service that always exceeds expectations.

To better achieve this goal, in 2010 Linda completed advanced training to become an Intuit Certified QuickBooks ProAdvisor®. As one of an elite group of highly trained QuickBooks experts who also has significant business and accounting experience, Linda can quickly install and set-up QuickBooks, train staff, or help clients maximize QuickBooks' functionality to impact their bottom line.

Linda graduated magna cum laude from the University of Pennsylvania, earning a bachelor of business administration degree with a concentration in financial accounting. She is a member of the American Institute of Certified Public Accountants and the Pennsylvania Institute of Certified Public Accountants. Linda and her family live in Pennsauken, New Jersey.
